YES, HELEN MARIE! I want to learn your unique, intuitive method of giving my dog a massage. I not only understand the benefits that my dog will receive from having a massage, but also the benefits that I will receive.

- I will gain confidence to give my dog a massage.
- I will learn to find bumps and lumps that may need a veterinarian care.
- I will bond with my dog more.
- I will be more relaxed myself after giving my dog a massage.
- I will become more intuitive when caring for my dog.
- I will return the love and trust that my dog shows me every day.

These are only a few of the benefits that I will receive by having a copy of your video. With that in mind, I can't wait to get a copy of your "Natural Dog Massage" video!!! I understand the price is only 29.95 plus \$2.21 sales tax and \$3.00 S&H (if needed).
